Errata

The publishers wish to apologize to the authors for the following errors that occurred:

- In the Paper by Bull J. P. and Dickson G. R. (*Injury* 1991; **22**: 127–31) *Figure 2* and *Figure 3* should be transposed (the captions are correct)
- In the Case report by Davies M. S. and Nayak R. (*Injury* 1991; **22**: 419–20), line 7 of the final paragraph should read '... it is even more unusual for this displacement to have reduced spontaneously.'
